

# Niagara Falls for You!

Spend 3 nights on the Canadian side of the falls, with dinner overlooking the falls and a cruise to the base, plus visit Niagara-on-the-Lake and Casa Loma in Toronto!

**Sept 12-17, 2026**

## Saturday, Sept 12, 2026 – We're on our way!

Meet Dea and Maggie at Lambert International Airport for your **non-stop flight to Toronto** on Air Canada. **Please make sure you have your passport WITH YOU** as you will need it to arrive in Canada upon landing in Toronto. Our private motorcoach for the week will await us and we will enjoy an excursion into Toronto where you can enjoy a stroll around the **St. Lawrence Market** before our dinner at the **Hothouse Restaurant**. We then check in to the **Courtyard Marriott Markham** for our overnight stay. **(D)**

## Sunday, Sept 13, 2026 – Casa Loma and Toronto City Tour!

Pack your bag and have ready for luggage pick up by the bellmen then enjoy a hot breakfast at the hotel. We **enjoy a city tour of Toronto**, Canada's most populous city on a sleepy Sunday morning, beginning with a tour of **Casa Loma, the Castle in the City**. Built in 1911 for 3.5 million dollars, Casa Loma is a romanticized ideal of a European castle, with secret passages and towering spires. It is now the premier venue for weddings and events in the city! After a lunch stop at a food hall, we continue our tour, of one of the most multicultural cities in North America, you will enjoy the sights and sounds all around us, learning the history of this great city. We then say farewell and head across Ontario and arrive at our home for the next three nights, the **Hilton Hotel at Niagara Falls**, Ontario. You will appreciate being in the middle of the action and not traveling back and forth across the bridge through passport control or staying outside the Niagara Parkway area and trekking back in each morning. We have requested and paid for **rooms with a view of the beautiful, world-famous falls** where you can unpack and relax. Tonight, we enjoy a group dinner at a local favorite, Betty's Restaurant, serving home cooked meals and homemade pies since 1967. **(B, D)**

Enjoy learning the history of this iconic place, and hopefully we will see some ships traversing the **Welland Canal**. After lunch on our own, we board our **Voyage to the Falls cruise (Formerly Maid of the Mist)** for a close-up look at the mighty Niagara Falls, the largest waterfall in North America in terms of volume. We sail to the base of Niagara Falls, with spectacular views of the **Niagara Gorge, American Falls, and Bridal Veil Falls**, culminating in an up-close encounter with the iconic **Canadian Horseshoe Falls**. Experience the thunderous roar, immense power, and refreshing mist of these natural wonders, with a complimentary recyclable mist poncho provided for your comfort.

After the cruise, experience the remarkable **Niagara Parks Power Station** in a whole new way with *Currents*, an epic sight and sound night show inside the heart of the plant. This must-see attraction features immersive, interactive media where projected effects react to your presence. This one-of-a-kind sensory experience reawakens the machinery of this iconic power plant through imagery, color, lights, sound, and all set to music.

And to top off the night, we enjoy **dinner overlooking the Falls along the Niagara Parkway**, followed by an unforgettable, one-of-a-kind experience: a visit to the **Illumination Tower** to change the colours of the lights on the majestic Niagara Falls! – Based on availability. **(B, D)**

## Tuesday, Sept 15, 2026 –Victorian Splendor of Niagara-on-the-Lake

Enjoy a full, hot breakfast at your leisure in the hotel restaurant, we enjoy a stop at the **Floral Showhouse**

Enjoy shopping and then lunch at the beautiful, elegant and historic **Prince-of-Wales Hotel**, decorated in Victorian style. You will feel like royalty in this elegant hotel as we dine together. Horse and carriages await outside to give tourists the feel of the Victorian era in this village. On the way back to the falls, we stop at a winery specializing in **Ice Wine**, a special wine where the grapes are immediately harvested as the first frost covers them. An

amazingly sweet dessert wine is the result. Ontario is the top producer, and the thin bottles make it easy to transport in your checked suitcase to take home! This evening is yours to enjoy on your own. Our hotel is nestled in the heart of things, so you won't have any trouble finding something fun to do like shopping, dining and taking in the people watching. **(B, L)**
